

# *Our Lady of the Valleys Pastorate*

FROM Epiphany Sunday to  
Easter Day, we are  
committed to praying for our  
pastorate

## **5 minutes A DAY**

**Prayers can be in your own choice of words. A suggested format is:**

- In thanksgiving for our Church family, for our priests, and the freedom to worship together.
- For an outpouring of the Holy Spirit on our congregations, that we would worship with greater love, fervour and commitment.
- For our neighbours, work associates, school mates and those we meet regularly, as we name them now ----, praying that a longing for God would well up in their hearts and that they would be drawn into His body, the Church.
- That we ourselves would be ambassadors for Christ; that we would be equipped and emboldened to share His love with those we meet; that we would be a welcoming community of believers.
- For wisdom for our pastors and leadership teams as they plan ongoing Church ministry and outreach.

[• Any special intentions for the pastorate.]
